

At State CS, the safety, health and well-being of our members, employees and communities remains our highest priority. We remain passionate and committed to serving you during these challenging times.

For the well-being of our members and community, we have made the decision to return to appointment only for our branches.

As of Thursday, December 3rd, we will continue to operate under our regular business hours but will operate with our Drive-Thru only at 144 Eastern Blvd. branch.

If you require access to one of our branches, we will be meeting with members on a by appointment only basis.

We strongly encourage you to use State CS digital tools and other resources for self-service banking. You can conveniently access your accounts online at statecs.org or by using the **State CS Mobile app**. Online you will be able to view transactions, check balances, make payments, find an ATM, and more. [ATM LOCATOR](#) If you have not yet enrolled in online access, it only takes a few minutes.
