SAME FACE. NEW SPACE!

We're excited to share that we have purchased the old Walgreens at the corner of Eastern Blvd. and State Street, which will become the new main branch with a projected opening in 2027!

The new facility is being designed to support the tremendous growth we've experienced over the past decade and provide a clear path for future growth. It allows us to expand services and ensure we have the space needed to serve generations of members to come.

Purchasing a permanent home allows us to deepen our roots in the North Country and invest in our future, while creating a stable, long-term home for State CS.

We will continue to share updates and milestones as the project progresses.

NEW FIRST-TIME CAR BUYER LOAN

Our new Credit4Keys loan program was developed to help members with limited or no prior borrowing history to purchase their first vehicle. It's a great way for new graduates to start building positive credit!

To qualify for the Credit4Keys loan, you must:

- Be a member in good standing for at least 3 months
- Be at least 18 years old
- Have no prior auto loan reported to credit bureau
- Have income sufficient to support the payments

Ask a Loan Officer for more details.
